**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't exacerbate the ability to compete with Big Telecom companies Like AT&T. I like my smaller internet supplier and we need more competition not less. For years we did not have options in my neighborhood in San Francisco. This should never have been made business of the day. We do now but new legislation could send us back years. Please stop creating monopolies. Do not allow large companies to buy out all competition and reverse our progress. Large companies engage in highway robbery on it's clients. Please also do not allow AT&T to continue buying off other companies and become a Monopoly which destroys all competition. This is NOT GOOD FOR AMERICA OR AMERICAN CITIZENS.

Thank you.
